Subject: Chlorpyrifos materials

Attached are the chlorpyrifos materials requested earlier today by Nancy, as well as two extras I added for reference-- the 10x paper (I won't print this tome unless you want it though) and a really helpful comprehensive timeline OPP previously put together (2007--Jan.2018). Links to the reports for the two most recent SAPs are below, and the panel member rosters are attached.

Please let me know if there are any other materials needed and let me know if anyone else would like a hard copy.

- 1) 2007 Chlorpyrifos NRDC/PANNA Petition
- 2) [2012 SAP](#) panel members
- 3) 2015 Proposed Rule- Chlorpyrifos Tolerance Revocations
- 4) [2016 SAP](#) panel members
- 5) 2016 Lit Review and FQPA Safety Factor Determination for the OPs
- 6) 2017 Dow comments on the 2016 Chlorpyrifos Notice of Data Availability (NODA)
- 7) Chlorpyrifos Timeline (including activities related to the petition, reg review, SAPs, litigation, and Columbia/Dr. Lash communications)
